

Let us help.

[Cook County Community Technical Support >](#)

The following contacts, organizations and resources are available for those needing access to the internet, a device, or technical support in order to successfully participate in telehealth visits with a provider.

**WILDERNESS
HEALTH**

Partners advancing rural health

GRAND MARAIS

The Grand Marais Hub and Jake's Computer and Technology Services

offer free tech support to the public in addition to tech support offered by the Boreal interns every Friday from 1pm-3pm. Anyone from the community is welcome to come in for one-on-one tech support. No appointments, walk-ins on a first come first serve basis. For more info, call **218-387-2660**.

Cook County Higher Education

purchases laptops for \$200-225 from PCs for People. You can buy the laptop from CCHE for \$75-\$175. The application for available discounts and payment plan is at mycche.org/laptops/. If you have questions before filling out the form please email director@mycche.org or call **218-387-3411, ext 1**.

GRAND PORTAGE

Grand Portage Tribal Services will help tribal members with tech devices and internet access.

WILDERNESS HEALTH

Wilderness Health has mental health, internet, and community resources across our membership network. Check out our website with the QR code below.

DULUTH *(serving Northeastern Minnesota)*

Access North Center for Independent Living

(Duluth branch) has an Assistive Technology (AT) lending library.

Send referral information to info@accessnorth.net; to access by phone call **888-625-1401**

Lighthouse Center for Vital Living

can assist with technology. Lighthouse will assess specific needs, training, and adaptive software. Call by phone or fill out a referral form on the site:

<https://www.lcfvl.org> Contact by main phone at **218-624-4828** or email info@lcfvl.org

- Lighthouse Center for Vital Living Device Loan and Training will assess needs, provide adaptive software and needed training.
- Devices are loaned and can be one-time or longer-term loans.
- For longer-term loans, staff performs monthly/bi-monthly check-ins to ensure the device is functioning and to assess for other needs.
